Dear Garrison

I have
engaged to lecture in some three
or four towns of New England
in the early part of November
While thus I should be gratified
to address our friends in a few
more towns if they desire, and ~~also~~
altho I would ^{have} which is invitation
I should like to ^{have} them understand
that I shall be there, and lest
you without trouble let some friends
in different places understand

Dear Garrison
I have

engaged to lecture in some three
or four towns of New England
in the early part of November
This time I should be gratified
to address our friends in a few
more towns if they choose. and
also I would like to visit
I should like to have a meeting
that I shall be there. and
you without doubt at some point
in the vicinity of New York

that I shall be in Massachusetts
as early as the first Friday of Nov^r
and expect to spend a few days
in your State, I should feel very
grateful.

Our prospects in Ohio are most
flattering, and while you do not
enter into our feelings fully I know
you rejoice at every advance
of the popular feeling in regard
to freedom.

Very truly

and expect to show a few things
in your letter, I should feel very

grateful.
The prospect in this case is
faltering, and while you do not
interact on feeling fully I have
you again at every moment
of the paper feeling as if you

to freedom. Very truly
Yours,
